2008 BOMBARDIER LEARJET 40XR AIRCRAFT SPECIFICATION

INTERIOR

This immaculately presented limited edition Bombardier “Indy 500” interior six-seat cabin incorporates redesigned and ergonomically improved seats in a sleek forward four-place club seating arrangement. Including a galley and lavatory with belted toilet seat, the very unique and striking interior boasts extensive use of embossed leather, graphite surfaces and metallic accents. This exciting combination of material and colour was inspired by a high performance Indy racing car and introduced by Bombardier to the market in limited numbers to celebrate speed and performance, attributes shared by both the Indy racing car and the Bombardier Learjet 40XR.
